

# IEEE UK & Ireland YP Postgraduate STEM Research Symposium

28<sup>th</sup> – 29<sup>th</sup> November, 2018  
University of Chester

The IEEE Young Professionals UK & Ireland Section's STEM Symposium is organised in collaboration with the Department of Computer Science at the University of Chester.

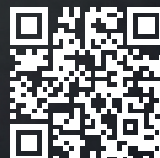

The 2-day event is an opportunity for early career STEM researchers, especially PGRs (PhD and MPhil), to present their research, receive feedback, and explore the possibilities of turning research to enterprise. Open to research professionals and students across the country and beyond.

- **Presentations** • Workshops • **Research to Enterprise Pitches**
- Awards • **Reception** • Panel discussion • **Networking**
- Industry Participation and Collaboration

Contact: [ieeeyp@chester.ac.uk](mailto:ieeeyp@chester.ac.uk)

Participants are invited to submit papers, posters and research to enterprise pitches. **Register via the event site below.** Early bird discount available until 20th September 2018.
